Chapter one

[image]

"How did father die,"Silverkit asked. Rainheart hesitated, "A fox". "But last time you said he was chasing a Pineclan warrior and got hit by a monster, "Silverkit meowed. Why is she lying to me all the time!? "I'll get some prey for you my brave little warrior," Rainheart purred and left for the fresh kill pile. "Are you ever going to come out of the nursery,"Snowkit squeaked. Silverkit looked up at her sister. "But it's cold out there," Silverkit replied shakily. "Come on you pampered kitty pet," Blackkit hissed. Silverkit lay down and curled up into a fluffy little kitten ball. Silverkits heart felt like it would rip apart. 'That's how they think of me?'

Chapter two

[image]

"Silverkit do you want to play with a moss ball,"One of the newer kits in the nursery named Fernkit exclaimed. "I don't know,"Silverkit cried. "Come on their your litter mates they don't think of you that way no one does,"Fernkit mewed sympathetically. "Ok,"Silverkit meowed feeling slightly happy. Silverkits blue eyes were fixed on the moss ball as Fernkit started to push it around the nursery. Right when Silverkit pounced on the moss ball she heard her mothers voice. "Silverkit come here right now,"Rainheart yelled. Silverkit ran outside,and saw her sister Snowkit lying down in the clearing a giant claw mark on the side of her flank. "What happened,"Silverkit cried. "Her breathing stopped,"The Stormclan medicine cat Leafdabble said sadly. Rainheart curled up around her dead kit crying. "Is she sleeping"Fernkits brother Clawkit asked his mother Honeytail. Silverkit tried to ignore Clawkit "why did she have to die"Silverkit cried

Chapter three

[image]

"Shut up mouse brain,"Silverkit growled her fur bristled. "Why have you been in such a bad mood so your sister died big deal these things happen and she never cared about you,"Clawkit mewed. Why is he saying that he doesn't even sound like a kit to me"? "Well I care if my sister dies,"Silverkit pouted. Clawkits Amber eyes sparkled "Why don't you come with me to explore the forest,"Clawkit meowed. Silverkit looked at the sun setting "No it's getting dark,"She replied. "Come on it'll be fine,"Clawkit meowed. "But that's how my sister died so I won't do it,"Silverkit meowed indignantly. Clawkit rolled his eyes and walked out of the nursery as the moon had finally rose in the night sky. Silverkit then curled up and fell asleep. But she didn't know what she would find once she woke up.

Chapter four

[image]

Silverkit woke up but wasn't in the nursery. Where am I"She thought. "You are in the dark forest,"A cat hissed in the shadows. "Who are you,"Silverkit mewed. A large cat with black fur a Amber eyes walked out of the shadows "I'm Hawkstorm,"Hawkstorm growled. Silverkit narrowed her eyes "But I don't want to be here," She tried to keep from crying. "Silverkit I'm your father,"Hawkstorm meowed. Silverkit looked at her father stunned "B-but why am I here,". "Silverkit I need to train you"Hawkstorm meowed. "But why"She said overwhelmed. "Because you have to kill Icestar before she kills you"He growled. "But why would she kill me,why are you in the dark forest,"Silverkit paused as she looked down and saw her paws start to fade and could see the ground through them "what's happening"Silverkit cried. Hawkstorm looked at her with a glint in his Amber eyes. Silverkits voice gradually grew quieter and quieter. Hawkstorm watched her showing no emotion what so ever. Silverkit started to whisper but still talked the loudest she could "Hawkstorm answer me,". She finally woke up and watched the sun start to rise. What just happened!?

Chapter five

[image]

Silverkit looked up at Icestar her fathers battle moves going through her head. "Ok warriors of Stormclan we are going to have Silverkits and Blackkits apprentice ceremony"Icestar called to her clan on top of the great rock. Silverkit looked up at Icestar her heart pounding she killed my father did he say Icestar was going I kill me to" Silverkit thought. "Silverkit come here"Icestar ordered. Silverkit you have reached the age of six moons, and it is time for you to become an apprentice,from this day on until you receive your warrior name you will be known as Silverpaw,". "Your mentor will be Reedclaw will pass down all he knows to you,". Reedclaw you are ready to take on an apprentice you have received excellent training from Waterheart and you have shown yourself to be a strong and brave warrior you will be the mentor if Silverpaw and I expect you to pass on all you know to your apprentice"Icestar meowed. I'm finally an apprentice but why don't I feel happy about it"?

Chapter six

[image]

"Ok Silverpaw remember when you try to hunt don't let your tail brush the ground"Reedclaw ordered. Silverpaw crouched down and crept forward toward a mouse her tail only brushing the top of one blade of grass she wiggled her hutches and leaped on the mouse slicing it throat. "Good job"Reedclaw meowed halfheartedly. Silverpaw felt slightly annoyed with her mentor but she just picked up her mouse and covered it up and looked for more prey. "Do you know how to catch birds yet"Reedclaw asked. "No,how would I even know that"She hissed. "You know better then to be disrespectful to your mentor"Reedclaw meowed. Silverpaw rolled her eyes and then looked up at Reedclaw his black pelt shining in the little bit of sunlight they had since Stormclan lived in the forest. Reedclaw looked at a robin that was perched on a low branch. Reedclaw leaped at the robin slicing it's back open. The robin fell ok the ground and Reedclaw picked it up "Now you try,". Silverpaw looked around for a robin and she found one on the ground hopping around looking for a worm. She crouched down and tried to leap on it but she only scratched it's wing so it couldn't fly. Reedclaw watched her intently his green eyes seemed to burn into her soul as he watched her bored. Silverpaw chased the robin around the forest until it finally ran into a tree she sliced open its stomach and it lay on the grass dead. "Reckless hunting what are you a kit come on we have a lot more work to do"Reedclaw growled. "Don't worry Silverpaw some day you will be able to shred him to pieces"Hawkstorms voice said in her head. "Wait your able to hear me"Silverpaw exclaimed. Reedclaw looked at her awkwardly after he heard what she said. Silverpaw then followed her mentor deeper into the forest

Chapter Seven

[image]

"No,when some one pins you down you don't got limp! What does Stormclan teach these days?"Hawkstorm growled. "Then what am I supposed to do"Silverpaw mewed indignity. Hawkstorms Amber eyes gleamed and he loosened his grip and Silverpaw slid out from under him. "Listen very carefully Silverpaw I have something to show you"Hawkstorm purred. She nodded feeling slightly excited. A cat jumped out of the undergrowt. Silverpaw almost leaped out of her silver fur startled. "This is Stormpaw he's a Frostclan warrior. Silverpaw recognized the name of the bordering clan and thought over what her mentor Reedclaw told her about it. Frostclan leader is Moonstar they always try to help every clan but are easygoing unless you cross their border then they will claw your pelt off but Silverpaw wasn't sure about the last part Reedclaw might have been just trying to scare her. She looked up at Stormpaw. Stormpaws grey fur seemed to slide over his skin and muscles. "You will be competing with cats from your clan and other clans so you are now training partners any questions"Hawkstorm glared at them and Silverpaw knew that her father would rip her ears out of her skull if any of them asked a questions. "Ok you to will fight with the moves you know but why am I even saying that Stormpaw will win"Hawkstorm said flatly. Stormpaw leaped at Silverpaw. She slashed the Frostclan apprentices face. Stormpaw glared at her and raked her claws down Silverpaws spine. She yowled in agony as claws sank into her pelt. "Ready to give up"Stormpaw whispered in her ear. Silverpaw turned over and scraped her training partners flank. Stormpaws eyes were dull with pain because of this and previous training sessions but he seemed to shake it off. The Frostclan apprentice slid under her then pushed her off balance. He then leaped over to her and pinned her down. Silverpaw looked up at him with fear. "Are you ok"Stormpaw whispered so Hawkstorm couldn't hear what he said. She nodded starting to feel less scared by the second. Stormpaw smiled and purred getting off of her then walked up to Hawkstorm his tail held high proudly. Silverpaw looked at him and purred her heart pounding.

Chapter eight

[image]

The full moon floated above in the night sky. As the Stormclan cats walked to four trees. "Hurry up"The newly apprenticed Clawpaw yowled. Silverpaw rolled her eyes and ran up next to him. "Do you even believe in Starclan"He asked her. Silverpaws fur bristled "Of course I do don't you"She meowed. The Four trees where finally close enough to be seen. "Well I guess so"Clawpaw shrugged. Silverpaw started to ignore the tom. She saw Mistclan and Frostclan waiting at four trees Mistclan was alway early for everything. Silverpaw looked around bewildered cause of all the cats. Then she saw out of the corner of her eye Stormpaw who waved for his tail for her to come over and talk to a group of apprentices. "No your catch wasn't that big"A Mistclan apprentice meowed. Which Silverpaw heard as she got closer and pushed through a few Warriors to get there. Another Frostclan apprentice moved over a little but for her to join them. "Hey your a Stormclan apprentice aren't you"The Mistclan apprentice hissed. "You might want to shut you mouth Cloudpaw before you say something you regret after all Stormclan is the strongest clan. "But Riverpaw Stormclan always thinks they can boss the other clans around and if they can't then they attack"Cloudpaw growled. Silverpaws fur bristled "No Stormclan is a nice peaceful clan"She meowed. "I wonder how much they brain washed you then"Cloudpaw retorted. "River paws about right now your a mouse brain that needs to shut your mouth"Stormpaw smiled at Silverpaw then intently looked at the great rock as Amberclan stormed into the gathering. "We have some important news"Redstar yowled. And the gathering fell silent

Chapter nine

[image]

"Starclan told us that we have cats among us training with the dark forest"Redstar hissed. All the cats shouted out protests and others whispered to each other. "Are you sure my Warriors would never train with them you must be mouse brained"Icestar yowled. I'm glad she has so much faith in her warriors though!? "We might have to kill him"Stormpaw whispered in her ear but he might have been joking. Moonstar tilted her head and looked at Redstar confused and seemed to be thinking about something. "Where did you get that fur brained idea"Moonstar asked but she almost seemed to believe it. "Starclan told my medicine cat Cinderfrost"Redstar shrugged. "Then why doesn't Cinderfrost come up here and explain everything"Icestar sneered. "Come here Cinderfrost don't be shy"Redstar ordered. Cinderfrost flicked her tail irritated by the comment. "Lionfur came to me in a dream and said don't trust any cat for they will deceive you and icy blood will spill on the ground"Cinderfrost meowed obviously not wanting to explain the whole thing. "That's ridicules icy blood"Icestar growled. How can she be so heartless about what her dead brother said? "Stupid fur ball"Stormpaw joked as he talked about Redstar and Icestar. Silverpaws fur bristled about how he talked about the clan leader Redstar but could felt satisfaction about what he said about Icestar. As the leaders argued Icestar lost her temper and dug her claws into the stone "Stormclan we don't have to talk to these piles of fox dung lets go"Icestar yowled and padded out of the gathering area. "Bye Stormpaw"Silverpaw mewed and padded after the clan and walked out of the gathering area and into the full moon lit clearing.

Chapter ten

[image]

"Can I hunt with Blackpaw today"Silverpaws asked looking at her brother sadly she barely talked to him since Snowkit died and they were really close before then. "Ask Blackpaw's mentor"Reedclaw snapped. Silverpaw flinched at his tone. "I'll come with you to ask"Clawpaw meowed. "Um ok!"Silverpaw mewed. "Hey Silverpaw"Fernpaw said shyly looking at her paws. Silverpaw looked at Fernpaw awkwardly remembering the joyful kit she used to be and now she was a shy fur ball. "Hey Fernpaw want to hunt with us"Silverpaw asked. "Are you sure you want to?"Fernpaw asked her eyes shined with what seemed like pity and she looked at Silverpaw still shy. "Of course you mouse brain"She playfully cuffed Fernpaws ear. Blackpaw padded up to Fernpaw. "Don't be nervous"He purred. Wow I've never seen him so happy I suppose? "I'm-im not nervous what gave it away"Fernpaw forced a fake smile. Blackpaw laughed "Me and Fernpaw are going hunting want to come?". "That's what we we're about to ask you"Silverpaw exclaimed. "First why don't we see how the kits I'm the nursery are"Clawpaw meowed but his tone almost sounded like an order? So anyways there are Flowerhearts kits which are Skykit,and Tigerkit and there are the new that were literally born yesterday name Lilykit,Frostkit,and Sunkit. Skykit ran outside to Clawpaw. "Hey aren't you supposed to show me some hunting moves"Skykit mewed her light blue eyes gleamed with excitement. "Soon I promise"Clawpaw mewed. Skykit was only one or two moons from becoming an apprentice. "Why don't I just come with you"Skykit whispered her eyes gleamed mischievously. Clawpaw looked at Silverpaw as if saying can we take her? Silverpaw shook her head annoyed. "No,But I'll teach you once I get back"Clawpaw exclaimed. "Why don't you stay here we will all go hunting and you can teach this future warrior to hunt"Blackpaw meowed. Clawpaw looked at the group of apprentices hesitantly then eventually agreed and padded away Skykit following. "Come on let's go"Blackpaw ordered. "Aren't we going to get out mentors first"Silverpaw asked. "My little sister always following the rules let's go cats"Blackpaw meowed and

padded out of camp Fernpaw and Silverpaw following.

Chapter eleven

[image]

"Remember this Fernpaw"Blackpaw asked and leaped on her playfully. Fernpaw batted him off and they playfully rustled like Stormclan or Amberclan kits would always do. Silverpaw padded off to look for prey. "Silverpaw"A familiar voice whispered. "Who is that"She growled. "Over here a whisper from a bush said. Silverpaw padded over to the rose bush. Inside the bush was Stormpaw. "What are you doing here"She hissed to the tom. "I need to warn you Amberclan is coming to attack"Stormpaw warned. "How did you know that"Silverpaw asked suspiciously and paced around the bush knowing that Stormpaw probably wouldn't lie to her. "I was hunting and saw angry warriors with Amberclan scent headed to this territory"Stormpaw meowed his eyes filled with worry the first time Silverpaw has seen that emotion from him. "Then should I go warn Icestar"She asked. Stormpaw nodded quickly then disappeared deeper into the bush once he heard paw steps. Silverpaw stepped into the bush to look for him but he was gone. "What are you doing in there kit"A warrior with Amberclan scent sneered. Silverpaw jumped out of the bush startled and dug her claws into the ground. "No need to be afraid"An Amber clan female said and after the tom spoke. "Then-then what emotion should I be feeling right now?"She asked her heart beating in her chest. "Come with us"Another tom growled and the patrol of six Amberclan cats and the Stormclan apprentice padded into camp. "Icestar"Reedclaw yowled. Icestar padded out of her den and walked up to Redstar the Amberclan leader. "Why do you want Redstar"Icestar snorted. "Why would you storm out of a gathering and defy Starclan like that"Redstar asked. "I had to keep from shredding your soft kitty pet pelt"Icestar smiled. "What did you say"Redstar hissed. "You heard me"Icestar said her claws glistening in the sunlight. "You better watch your tongue before my warriors rip it out"Redstar warned. Icestar slashed at Redstars face and every cat stood still and silent waiting for orders.

Chapter twelve

[image]

"What happened"Blackpaw asked his eyes wide breaking the silence Fernpaw following him her smile fading. The cats of Storm and Amberclan turned to look at her. "Ok you want a fight Icestar lets make it fair"Redstar said a wide smile spreading across his face "we will pick two warriors and two apprentices from each clan to right each other". Icestar nodded "Reedclaw,Blackpaw,Dovefeather,And Silverpaw come here"Icestar ordered. Silverpaw was startled to hear her name called. She followed Dovefeather to the front of the crowd. "Whiteclaw,Cloudpaw,Sunstrike,and Pebblepaw come here"Redstar ordered. "Ok Pebblepaw and Silverpaw will fight"Silverpaw zoned out for the rest and studied her opponent with fear. Pebblepaws claws flashed in the sun light he showed posture as if he was alpha and his eyes gleamed with pride and arrogance. "Ok first fight go"Icestar yowled. Pebblepaw leaped on Silverpaw and pinned her down but right before the fight was over she clawed his soft underbelly and as he yowled with pain she sliped out from under his paws and knocked him over. Pebblepaw quickly regained his balance. Pebblepaw slashed her flank. Silverpaw remembered Snowkits death and what Icestars claw marks did to her sisters tiny white flank and she bled to death before any cat knew and could save her. Silverpaw felt anger run through her blood stream and her heart beat sped up she leaped on Pebblepaw and ripped a patch of flesh off of her throat she tasted blood and jumped off and Pebblepaw fell on the ground. "Kill the fur brained apprentice"Sunstrike hissed and it only took a moment for Silverpaw to realize what she had done.

"Ok you two have been doing really well in training"Hawkstorm mewed. Silverpaws pelt tingled she felt thrilled by her fathers compliment. Stormpaw sneered. Hawkstorm continued "So you will be fighting other dark forest apprentices". "But I'm only here to learn how to kill Icestar before she kills me not to kill every cat possible"Silverpaws eyes widened as she stared at her father. Stormpaw laughed and Silverpaw noticed she had said something wrong and she looked at her paws and her ears drooped in shame. "You can't kill a leader with how many...9 lived if you can't attack a bunch of different cats with different attack moves"Hawkstorm glared at his daughter coldly. A tom with broad shoulders and a black pelt walked up to Hawkstorm and two apprentices followed him a she cat with blue grey fur and green eyes and Silverpaw's fur bristled in shock as she saw Clawpaw! "Hey look it's the fur ball you've been talking to"Stormpaw whispered in Silverpaw's ear with a sneer on his face. "Ok you two will fight Rainpaw and Clawpaw remember use your claws and don't stop until Nightscar orders you to stop"Hawkstorm ordered. Silverpaw shifted uncomfortably on her silvery paws. To her surprise Clawpaw looked over at Nightscar and showed no trace her knew the silver tabby apprentice who he always talked to existed. "Ok I'm ready to see some death go!"Nightscar growled. Clawpaw looked at Silverpaw and leaped right at her his eyes like pieces of coal. Silverpaws heart pounded until Clawpaw's claws ripped her pelt. That's what Nightscar meant by death they planned for Clawpaw my best friend to kill me!

Chapter fourteen

[image]

I'm those few moments Silverpaw and Clawpaw fought everything felt....wrong. But why? Silverpaw looked at Clawpaw in the apprentices den once she woke up. All she could remember was the hateful look in his eyes and his claws sinking into her flesh and all the blood. "Hey Silverpaw!"Clawpaw exclaimed as if nothing happened. "Don't talk to me mouse brain!"Silverpaw hissed. "Why?"The tom asked. "You know why"She hissed. "You show weakness there and your dead you should know that by now"Clawpaw shifted his paws under him and got to his feet. Silverpaw nodded and buried her face in her paws. "It's ok after all you will be a Stormclan warrior soon and I will be a dark forest warrior soon"Clawpaw said soothingly. Silverpaw looked up at him smiled and nodded. "So what will your name be or will they decide?"Silverpaw asked. "I will be Clawfang tomorrow"He purred. "Oh if I got to choose I would want to be Silverfrost"She meowed. "I love that name,"He replied. It might be crazy but I'm actually having a good time with this tom. "So do you know Stormpaw very well?,"Clawpaw asked. "Yes I hope we can be mates some day but he's in a different clan,"Silverpaw muttered. "Oh right mates,"Clawpaw sighed all of a sudden he seemed upset. What's wrong with him? Toms are so confusing! "But I'm probably just going to be mates with which ever tom asks first,"She mewed. "Ok,I'm going to go for a walk,"He meowed and walked out of the apprentices den. Silverpaw watched the apprentice. Do I really want to be mates with Stormpaw or do I want to be with Clawpaw?

Chapter fifteen

[image]

"Warrior ceremony?"Silverpaw mewed. "Good when does it start!"Blackpaw meowed. "Very soon"The Stormclan deputy Leaftail replied. "So today?"Blackpaw asked. Leaftail nodded "If you complete the test,". "What's the test?"Silverpaw tilted her head. "Icestar decided to make the test different this time you have to defeat your mentor in a fight,"Leaftail replied. "Easy!,"Blackpaw sneered. Silverpaw's fur bristled how can I defeat Reedclaw? I can't even kill Clawpaw! "Ok, it's time for you to go down to the training grounds"Leaftail ordered. Blackpaw bolted out of the den as fast as he could. Silverpaw struggled to catch up to her brother and ran through camp to the near by training grounds. Stormclan cats looked at the older apprentices wondering why are those cats running to the training grounds so fast? Silverpaw looked at her mentor not even looking at the other mentor standing in front of Blackpaw. Leaftail and Icestar stood by the side lines waiting for everything to start. Reedclaw looked at the two cats and sneered,then leaped on Silverpaw. She let the tom pin her down then hit his soft under belly as hard as she could with her hind paws. The tom fell over surprised. Silverpaw leaped on top of Reedclaw and slashed his throat. Reedclaw lay limp blood flow out of his throat and Silverpaw stalked away her tail held high. Then realization hit her I just murdered my mentor!

Chapter sixteen

[image]

Silverfrost watched Clawpaw from across the clearing the tom was talking to Hawkfrost. Snowtuft stood beside him. Excitement coursed through her blood as she realized he was becoming Clawfang. "What are you staring at?"Stormfall asked. "Nothing just Hawkfrost and that warrior who almost killed me is that a warrior ceremony?"Silverfrost asked. "Don't worry about them it's almost time for you to kill Icestar your ready you will avenge Snowkit and Reedclaws death!"Hawkstorm meowed. "But I killed Reedclaw I'm a murder and nothing will ever change that"Silverfrost mewed. "But she made you kill your own mentor who taught you almost everything you know!"Hawkstorm sneered. Silverfrost looked at her paws and saw she was fading away. Why am I waking up!? It's not morning! She saw Clawfang was already gone. A shriek started to fill her ears and best again her skull and she woke up in the apprentices den. "What was that!?"Dovefeather yowled. "Rainheart is dead!"Fernheart cried. "What that can't be true!?"Blackpelt yowled. Silverfrost ran out of that warriors den. Icestar was no where to be seen! She's gone to far she killed my sister and my mother I'm coming for her! And she won't live to regret her actions for killing my family!

Chapter seventeen

[image]

Silverfrost padded through the forest. I'm starting to loose Icestar's mouse rained scent trail! She crouched down as she saw Icestar's white pelt and her blood stained claws. Proof! She must be going to the river to wash off the blood! Silverfrost leaped on Icestar in anger and pinned her down. "You found out didn't you!"Icestar sneered. "Why are you killing them!?"She cried. "Your grandmother Shadepelt burnt me I lost my ear because of her and two lives I don't want to take my chances"Icestar mewed and then slashed the new Stormclan warrior. Silverfrost fell over in surprise. "I wasn't going to kill you yet at least but I guess it's a kill two cats kind of day!"Icestar shrugged. That has to be the stupidest thing she had ever said! Silverfrost leaped and bit Icestar's leg as hard as she could and tasted Icestar's blood as it flowed into her mouth. The Stormclan leader yowled in pain and once Silverfrost loosened her grip Icestar limped as fast as she could do the thunder path. The Stormclan warrior quickly followed her. How can she limp so fast!? Icestar stopped at the edge of the thunder path. The cats felt the thunder path shake as a monster and as coming. Silverfrost leaped at Icestar and pinned the leader down in the middle of the street. The acrid scent of the monster quickly became stronger. The monsters lights started to the warrior. Suddenly she felt something tug on her scruff and her life flashed before her eyes.

Chapter eighteen

[image]

Silverfrost woke up in the medicine cats den. She looked over and saw Clawfang. "Your finally awake!"Clawfang exclaimed his eyes were blood shot and he looked tired and he definitely lacked sleep. "Have you been waiting here the whole time!?"Silverfrost asked. Suddenly pain shot through her leg and she winced. "I'm sorry I tried to save you but the monster crushed your leg"Clawfang muttered. "You saved me how could I ever repay you!"Silverfrost exclaimed. Clawfang looked around his eyes gleamed mischievously "There's one way"He paused. "Will you be my mate?"He asked. Silverfrost looked at him in shock then one the shock wore off she said "Of course I will". "But that still doesn't change that fact that your leg was crushed and I couldn't save you in time"Clawfang hissed. "It's ok you did all you could I avenged their death and I'm better then I have been for moons"Silverfrost purred. Clawfang looked at his paws uncertainty. She licked his heel reassuringly laying down in her nest carful not to move her lame leg. "But you can't be a warrior anymore"Clawfang meowed. "No,I will be the best warrior the four clan has ever seen!"Silverfrost growled.

Chapter nineteen

[image]

Silverfrost walked into the gathering once Stormfall saw the she-cat his eyes widened in shock and he ran toward her. "What happened!"Stormfall asked looking at her leg. "A monster ran over my leg but I'm fine"Silverfrost meowed. "That's why you haven't been coming to the dark forest lately"Stormfall whispered. "So your a med cat?"He asked. Silverfrost shook her head "I'm still a Warrior!". "How can you be a Warrior with a lame leg!?"Stormfall snorted. "She's the best warrior Stormclan had ever had!"Clawfang hissed walking up to the cats. "She's always been strong but hardly any cat can make it through that"Stormfall meowed. "Well she did!"Clawfang growled. "And all because of Clawfang"Silverfrost purred burying her face in his pelt enjoying the warmth of it and taking the pressure off of her leg. "So you guys are mates?"Stormfall asked sadly. She knew both toms would gladly be her mate but would Stormfall ever save her like Clawfang? "Yes we are"She purred. "I suppose I can't take you back from him"Stormfall laughed. "I don't know can you?"Silverfrost asked. "I'll try"Stormfall laughed and passed away. Clawfang glared at the other tom and he pulled her closer to him with his tail their pelts brushing, as the two cats watched the gathering. But as she was watching the gathering she saw the shadow of Icestar. But it must be my imagination she's dead! Silverfrost thought.

Chapter twenty

[image]

Silverfrost stared at the medicine cat until Blackpelt padded up to her. "What are you staring at?"Blackpelt asked. "It
Doesn't matter"She meowed looking at her litter mate. "So how's Fernheart doing in the nursery!?"Silverfrost asked. "Fine"Blackpelt shrugged. "I can't believe your about to be a father"Silverfrost meowed. Blackpelt nodded not knowing what to say. Her pelt bristled as she saw Dovefeather the cat who gave birth to Icestar. Silverfrost had the suspicion Icestar was still alive. Nothing would change that. Unless she saw Icestar's dead body. Dark forest cat voices went through her head and she padded into Stormclan's forest. She climbed up on a tree branch and looked at the thunder path. And once she comes back she will die and so will I.

Epilogue

[image]

Icestar turned her head toward a small black she cat with amber eyes named Night.
"To be clear with this attack we will get half of Stormclans hunting grounds,"Night meowed her gaze burned into Icestar's like a small fire.
"That was what I said didn't I?"Icestar meowed.
"That doesn't mean you always tell the truth she's just checking," a muscular brown tom with black tiger stripes meowed named Hawk who was Night's mate.
Icestar padded toward the edge of camp ignoring the tom. Rogues padded to and from camp, they were like a deadly virus that needed to die as soon as possible. But not until Silverfrost is dead. The white dark forest she-cat padded toward the rogue leader Reed. Reed was a black tom with kind green eyes and many scars from past battles, the kind look in his eyes deceived some cats but dark forest cats seemed like kitty pets to him.
"What to you want?"Reed asked eating the remains of a mouse.
"I think it's time time,"Icestar meowed neatly setting her tail on top of her paws.
"Very well,"Reed nodded and jumped on a trash can and signaled all the cats to listen to him while he spoke. It's actually happening. Stormclan we'll be destroyed Hawkstorm will be proud once the clan cats and rogues kill each other off.

"Come on Icestar lets go,"Stormfall waved his tail for Icestar follow. The white dark forest she cat followed the tom in the mass of rogues.
